**LOT 6 - Duchess Dinah Mite**

**Description**

2022 AQHA registered sorrel colt with a flaxen mane and tail. Barrel racers take a look at this one! "Sun Frost" and "On The Money Red" right on his papers!

"Uno" has a great pedigree with tons of speed and some cow in there. He should make a barrel prospect with a lot of chrome. Very gentle to be around and smart. Comes right up to you in the field. Current on all vaccinations and worming. Has had his hooves trimmed and has a current coggins. All my colts are on a good feed program of grass/alfalfa mix free choice hay. Equine Junior with a 12:12 mineral twice daily.
