**LOT 5 - Robin Dutchess- Broodmare**

**Description**

"Robins Dutchess" 2007 APHA Sorrel Overo mare. Well broke ranch horse in her younger years, has a scar on her left front cornet that makes her broodmare sound but if you kept her shod she would possibly be sound to ride. 15.1 hands, very gentle to handle, easy to breed and foal out. Had a very nice stud colt in July 2023, opted to leave her open to breed earlier in 2024. Foundation APHA and AQHA bloodlines, she has Okie Leo just one off her papers.
