LOT 1 - Deuce

Description

Check out Deuce! Good trusty "Deuce" has been our go-to ranch gelding. He has big feet and a solid build everyone looks for. He is at a perfect age of 13 yrs old and stand 16hh. He has experienced all aspects of ranch work. Deuce is super quiet around cows and doesn't get hot. We use him to pony horses or halter break colts. Deuce has a one-handed neck rein and knows his leg cues. You can open and close gates with ease. He is a pleasure to carry flags at the rodeos. Deuce wouldn't take much to turn into a top-notch head or pickup horse. His willingness, heart, and his gentle demeanor show great potential to become a great performance horse. We have started roping the heelomatic and coming out of the box. My 9-year-old daughter loves doing basic ranch chores with him. Like moving and sorting cows and ponying horses. Deuce has definitely helped my daughter's horsemanship and confidence. This horse is truly well rounded. He is good to shoe, bathe, catch, haul, and clip. Deuce stands like a gentleman to tack up and get on. He is quiet to ride away from the other horses or go on your own. He is 100% sound with a current health and Coggins upon sale date. Deuce is updated on teeth, vaccinations and worming. Please feel free to call Michelle @ 4065803299 Due to the cold weather, owner is willing to help with transportation up to 200 mile radius from Bozeman for \$100.
